

Corner Country

OUTBACK NEW SOUTH WALES

Where I want to go!

Head out to the Corner Country for an amazing holiday with the kids. They (and you) will discover new places, explore new horizons and learn so much about this great land.

How about planning a trip to the Corner Country during the school holidays? There's an ever changing landscape and plenty of hills for energetic youngsters to climb, creeks to walk, sand-dunes to conquer.

You will be sharing the landscape with some pretty special critters, so watch out for all the different kinds of kangaroos, birds, large and small, and other native animals.

Surrounded by history this is a great place to get the feel for what early explorers (Sturt, Burke and Wills) and pioneer families experienced.

There are sheep and cattle stations and Sturt National Park where you can camp-out under the stars (trillions of them) or bunk down in the shearer's quarters for an authentic Aussie experience.

Explore Milparinka and Tibooburra during July and October and meet up with the locals for the gymkhana or rodeo.

Start planning a Corner Country adventure today. Log onto www.outbacknsw.com.au or call the Milparinka Visitor Centre on 08 80913862 today for your brochure.
